

SENIOR WOMEN'S GOLF LEAGUE - September 2009 - "SENIOR MOMENTS"

As always – please share the following information with those friends who do not have email. Thank you, Ginger Salcedo

NEXT PLAY DATES - SEPTEMBER 14 & 15 @ COYOTE MOON - 10:00 Shotgun Check in begins at 9:15

You will be walking quite a bit on this course. You may obtain a handicap flag to assist you, but remember this is a course in the mountains.

We have a large field for each day and stress that you must keep up with the group ahead of you.

TIP: The first one in the hole should pick up the flag and be ready to place it in the hole as soon as the last person has puttied out.

Move directly off the green to your cart and drive to the next hole to write down scores.

The "Player's Assistant" will be on the course to monitor pace of play.
